The company Aéroports de la Côte d'Azur S.A ("ACA") manages and operates Nice Côte d'Azur and Cannes-Mandelieu airports ("Airports") and provides within this framework various services (the "Services") to its customers and users ("Clients"). Any provision of Services is subject to these general terms and conditions of sale ("Terms"), which take precedence over any other document, except for any specific contract expressly derogating from it. Any request and /or effective use of any Service implies therefore the acceptance of these Terms. 3. PENALTIES FOR LATE PAYMENT OR NON-PAYMENT :

3.1 Late payment interest, legal recovery fees and litigation costs

The simple observation of any case of delay or non-payment, regarding all or part of an invoice, will generate the application of penalties for late payment, payable from the day following the settlement date mentioned on the invoice, at the fixed annual rate of 12 % without the need of any prior notice. Notwithstanding any penalty provided in any specific contract of Services entered into between the parties, the Client will also be required to pay a legal lump sum of € 40 (excluding tax) for recovery costs (as provided by law according to article L.441-6 of the French Commercial Code) and a fee to cover the costs of treatment of unpaid records by ACA's litigation department.

3.2 Cancellation of advantages and due payment

In case of delay or non-payment of all or part of an invoice, ACA may immediately and irreversibly cancel any discount, rebate or any reductions possibly granted to the Client and/or in parallel pronounce the acceleration of the term and require the immediate payment of any other invoice issued to the said Client. All associated costs to this procedure shall be at the expense of the Client. The payments where recovery is processed through litigation will be allocated in priority to the oldest invoices.

3.3 Non-execution exception – Precautionary seizure

ACA reserves the right to stop the provision of any Services to a Client who does not execute its payment obligations, unless this Client provides ACA with reliable financial guarantees and/or a cash settlement. Notwithstanding the interest on arrears and prosecution costs, ACA will conduct any precautionary seizure in accordance with the laws and regulations in order to guarantee any due payment, including if necessary the seizure of any aircraft.

3.4 Compensation

ACA will automatically proceed to the compensation of any existing mutual debts between the Client and ACA as soon as they meet the legal requirements of fungibility, liquidity and due payment (according to French law). The Client is informed that all operations performed in accordance with any contracts and/or agreements effective between the Parties may be subject to compensation by ACA after which only the balance will be due.

3.5 Termination of the contract

In case of breach by either party of any of its obligations, the present contractual relationship may be terminated as of right by either of the parties, thirty (30) days following receipt by registered letter with acknowledgment of receipt of a formal notice remained unsuccessful. The termination under this article shall be without prejudice to any action that the law or the contract allows either party in such cases, including any claims for damages. Amounts received in exchange for services rendered are then not refundable except in cases of force majeure or termination because of ACA's fault. If necessary, ACA also reserves the right to terminate the contract in good faith in case of a serious breach of the Client's obligation to pay on time.

4. INTELLECTUAL PROPERTY RIGHTS

ACA retain all intellectual property rights attached to the Services. Any reproduction, representation or distribution of all or part of the elements covered by these rights (documents, media, logo etc.) is strictly prohibited without prior and express authorization of ACA.

5. APPLICABLE LAW - COURTS - LANGUAGE

These Terms and any dispute related to Services provided by ACA are subject to French law and the exclusive competence of the courts of Nice. In case of a conflict between a translated version of the Terms and the French version, only the latter shall prevail between the parties.

6. MEDIATION – CONSUMERS RIGHTS

In accordance with the Consumer Code, each consumer shall be entitled to free recourse in relation to any contractual dispute with ACA offered by the Consumer Mediator designated hereinbelow: MTV Médiation Tourisme Voyage, BP 80 303 - 75 823 Paris Cedex 17, www.mtv.travel. A recourse to the mediator may only be referred provided that the consumer has first attempted to settle the dispute directly with ACA by submitting a claim in writing and failing to receive a satisfactory response within 60 days with effect from the date of receipt of the initial claim (the complete mediation referral process is available on its website: www.mtv.travel).

EXPENSES OF INVOICING, RECOVERY AND LITIGATION COSTS

Applicable tariffs from January 1, 2027

Invoicing expenses :

Particular cases of the aircraft charges

The aircraft charges are periodically invoiced to the users:

- based or having premises at the airport
- signed a subscription for the shelter of their plane,
- charges of which are taken into account by accredited consignees,
- regular, benefiting from an amenity of Aéroports de la Côte d'Azur which this one has the faculty to withdraw any time,
- not entering aforementioned categories but having guaranteed their payment by accepting the direct debit on their bank account. In the latter case exclusively, bank charges related to this mode of regulations are supported by the user,
- finally, for aircraft movements outside the opening time of the airport's toll office

For other users, the aircraft charges are invoiced for each movement and must be paid mandatory before any take-off. In case of non-payment in cash, the bill will be addressed at the end of the month to the user, adding a fixed sum for "invoicing expenses" in the amount of € 21,80 ex. VAT. This lump sum does not exempt from litigation costs mentioned below.

Penalties for late payment or failure to pay

1. Litigation costs

These fees are intended to cover the cost of processing unpaid cases by the Litigation Department. The amount of the litigation costs is fixed at € 74,80 ex. VAT.

With respect to litigation costs related to aircraft charges, in accordance with the procedure envisaged by Article L 6123-2 of the Transportation Code, seizure of the aircraft could be requested until consignment of the amount of dispute is deposited.

2. Invoice payability clause

Moreover, such delay in payment will result in the immediate and irreversible cancellation of all price reductions which have been offered to the client, and cause the payment facility to be cancelled, thereby rendering all invoices issued payable.

All costs associated with the procedure are at the full and entire responsibility of the debtor.
